

CERTIFICATE OF COMPLIANCE

Morse Export Crates

With regard to the International Plant Protection Convention's (IPPC) Guidelines for Regulating Wood Packaging in International Trade (ISPM 15) for solid wood packaging material for wooden skids and export crating supplied by McIntosh Box and Pallet, Co., to Morse Manufacturing Co. Inc., Syracuse, NY USA.

Please regard this statement as certification that the product is not subject to quarantine for export shipments because of the following:

1. The coniferous and non-coniferous (SOFTWOOD and HARDWOOD) solid wood material our product is fabricated from is certified HEAT TREATED TO A CORE TEMPERATURE OF 56 DEGREES CENTIGRADE FOR A MINIMUM OF 30 MINUTES in accordance with ISPM 15 and is marked per IPPC's ISPM 15 regulations and marked accordingly. McIntosh is audited by Conway & Robison of Sharpsburg, Georgia in accordance with the American Lumber Standards Committee (ALSC) Material Enforcement Regulations.
2. The packaging material provided is not solid wood but consists of plywood and/or Oriented Strand Board.
